CLUB MEETING

THE NEXT MEETING OF THE GREEN BAY MIKE & KEY CLUB (THE 2ND THURSDAY EACH MONTH), WILL BE OCTOBER 8TH AT 7:30PM IN THE MEDIA SERVICES AREA OF THE J.M. SCIENCE BUILDING (ROOM 223) AT ST. NORBERT COLLEGE. GUESTS ARE ALWAYS WELCOME!

BOARD OF DIRECTORS MEETING

THE NEXT "BOD" MEETING WILL BE ON OCTOBER 1ST AT 5:30PM AT THE RE-PLAY LOUNGE, 900 HANSON RD. IN ASHWAUBENON. ALL ARE WELCOME TO ATTEND.

ELECTIONS

AS PER THE BY-LAWS OF THE CLUB ELECTIONS WILL BE HELD AT THE ANNUAL MEETING ON NOVEMBER 12TH. ALL SEVEN CLUB OFFICER POSITIONS WILL HAVE TO BE FILLED. THIS NOTICE IS TO ALLOW YOU AS MEMBERS TO THINK ABOUT THOSE INDIVIDUALS WHO WILL BEST FILL THESE JOBS AND NOMINATE THEM. NOMINATIONS WERE OPENED AT THE SEPTEMBER MEETING, JOHN, KE9AS AND KEN, N9LSX, WERE NOMINATED.

HAMS' WITH CLASS

THE FALL SESSION OF THE "NOVICE/TECH" RADIO CLASSES IS UNDER WAY. THESE CLASSES MEET EACH WEDNESDAY NIGHT IN THE MEDIA SERVICES AREA OF ST NORBERT COLLEGE, FROM 7 UNTIL 9PM.

AT THE SEPTEMBER 23RD MEETING, MIKE MORTORSON, AGE 9, PASSED HIS NOVICE TEST. CONGRATULATIONS MIKE!!!!

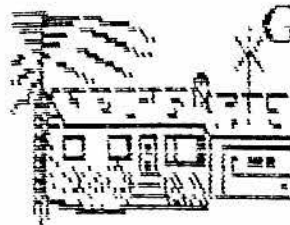

MANY THANKS

I WOULD LIKE TO TAKE THIS OPPORTUNITY TO THANK RON, WB9MFB, AND KEVIN, KB9DAC, FOR TAKING THE TIME TO BRING THEIR SERVICE MONITORS TO THE LAST CLUB MEETING. NO OFFICIAL COUNT WAS TAKEN ON THE NUMBER OF "HTS'" THAT WERE TESTED BUT, BOTH RON AND KEVIN WERE KEPT BUSY. ALSO, SPECIAL THANKS GO TO THE WB9RJB CHAUFFEUR SERVICE FOR MAKING THE TRIP.

MEETING MINUTES

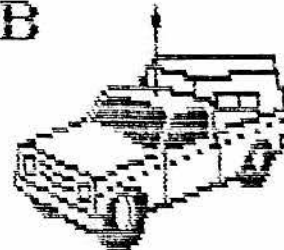

The September meeting of the Green Bay Mike and Key Club was called to order by the president, John KE9AS, at 7:30 p.m. with 40 members and 5 guests. The secretary, Scott KB9AMM, read the minutes of the previous meeting. The report was accepted as read. The treasurer's report was read by Pat, KA9VRK, and was accepted as read. Balance on August 31, 1992 was \$5345.73. John KE9AS, notified the membership that the nominations for board members for the 1993 calendar year in accordance with the club by-laws. Bob, KA9BXG, nominated John, KE9AS and Tom, KB9EWK nominated Ken, N9LSX. No further nominations were presented. John notified the membership that the nominations would remain open until the election at the November meeting. Bob, KA9BXG reported on the progress of the Red Cross tower. He reported that a crane is available for a reasonable price to make the job easier. After much discussion a motion was made by NQ9F and seconded by KB9AMM to authorize the Board to go ahead with plans to lower the tower and take whatever action necessary to complete the job. Motion carried. The next item of discussion was the suggestion of replacing the 147.12. John, KE9AS reported that there was a backup repeater available. There was a discussion at the board meeting concerning this item and it was presented to the club that an alternate suggestion would be to purchase a new controller for the 147.12, move the present 147.12 controller to the 147.36 machine and move the 147.36 controller to the 440 repeater. This would allow the club to return use of the controller on the 440 machine to the private owner and increase club ownership of the equipment on the various systems. The membership will be asked for other ideas at future meetings. The next item was a discussion on the need for a power supply for the club station that would be able to handle the equipment. After discussion it was suggested that a separate power supply be purchased for the club station. A motion was made by KA9BXG and seconded by WY9E to authorize the Board to purchase a rack mount, metered 50 amp continuous power supply. Motion carried. Greg AA9AO addressed the club and requested club members to help him in the upcoming VHF contest the weekend of September 12. He gave the frequencies and times that he would be listening. Mike, WD9EGE also informed the club that he would be participating and advised of the times and frequencies that he would be listening. John, KE9AS, reported that KB9AMM, KB9EWK and KB9DSV have volunteered to work on upgrading the condition of the club rooms. Look for a new look in the future. KD9IA has notified the club that a VE testing session will take place on October 10th at 7 p.m. at James Madison Jr. High in Appleton. Registration begins at 6 p.m. Doors close and testing begins promptly at 7 p.m. Jim, WY9E gave the DX report on some rare DX available such as ZL8RS Kermadec Is., VK9X Christmas Is. and VK9WI Willis Is. Give Jim a call if you want more info. If you are interested in being a Wx net controller on the 145.19 or the Green Bay severe Wx net contact Pat, KA9VRK. It was reported that Tom, KB9EWK provided some excellent PR with Channel Eleven and was highlighted on the evening news passing traffic during the aftermath of Hurricane Andrew. Well done Tom!!! Ken, N9LSX, reminded the membership of the upcoming classes starting September 16 and continuing for the next few months on Wednesday evenings at 7 p.m. at the Media Services room at the J.M. Science building. Bob, KA9BXG reminded the membership of the Foxhunt on Tuesday evenings following the club meeting at 7:00 p.m. on 147.555. Ron, WB9MFB and Kevin, KB9DAC brought their service monitors and checked HT's of the club members.

Pat, KA9VRK reported on the Board of Directors discussion concerning the length of terms of officers and Board members. It was suggested that a change to the by-laws be instituted to stagger the length of terms of office for more continuity within the board. Patti, KF2N, brought along a tape of a tornado photographed by a news crew in Minneapolis.

Meeting adjourned at 9:03 p.m.

submitted by John, KE9AS, President
